Attendance

It is the goal of District 230 to provide each student with the best education possible. It is the responsibility of the student to avail himself/herself of every educational opportunity and the combined responsibility of the student and parent to ensure the student's regular daily attendance. Because the classroom learning experience is a vital component of the student's educational experience which cannot be duplicated, the following attendance regulations will be enforced.

Whoever has custody or control of a child between the ages of 7 and 17 years of age (unless the child has graduated from high school) must cause the child to attend the district school wherein the child is assigned, except as provided by State law.

Students and parents should realize that any absence will have an adverse effect on the student's educational progress. An absence of more than 10 days in a semester will be considered unexcused unless a written doctor's excuse (listing the exact dates of absence) is provided upon the student's return to school, or unless excused by the principal or his designee.
